Jackson County School Board
Bulk Purchasing Program
For the 2009-10 Fiscal Year

The Jackson County School Board requests your bid on the items listed on the attached spreadsheet. The total of the quoted prices will be the basis for determining the bid award.

Terms:

Bids will be received in a sealed envelope by 12:00 noon central time on Thursday, July 9th. Bids will be opened shortly thereafter and the result will be available per request.

Bid will be awarded based on cost of all items in total.

Prices will be guaranteed for a period of six months and can be extended on a monthly basis as agreed upon by both parties. If prices are unable to be extended, the School District will have the option of going back to bid.

Merchandise will be delivered and invoiced on a per item basis to our individual schools and offices within four working days of receipt of order.

Failure to deliver will result in the balance of the bid being awarded to another bidder.
