You must tell us how often the money is received—weekly, every other week, twice a month or monthly. For earnings, be sure to list the **gross income**, not the take-home pay. Gross income is the amount earned *before* taxes and other deductions. You should be able to find it on your pay stub or your boss can tell you. For other income, list the amount each person got for the month from welfare, child support, alimony, pensions, retirement, Social Security, Supplemental Security Income (SSI), Veteran's benefits (VA benefits), disability benefits, and *All Other Income* sources. Under *All Other Income*, list Worker's Compensation, unemployment or strike benefits, regular contributions from people who do not live in your household, and any other income. For **ONLY** the self-employed, under *Earnings From Work*, report annual income after expenses. This is for your business, farm, or rental property. If you are in the Military Privatized Housing Initiative or get combat pay, do not include these allowances as income.

Part 5: Adult household member must sign the form and list Social Security Number (or mark the box if s/he doesn't have one).
