

# Sneads Elementary Tuesday Treasures

Proud to be an "A" School!

Education  
Is Life's  
Best  
Treasure!

Carolyn Pilcher, Principal  
Jennifer Hawthorne, Asst. Principal  
May 24, 2011

This is the last edition of the Tuesday Treasures for 2010-2011.  
Thank you parents and students for another wonderful year at Sneads Elementary!  
We hope you all enjoy a great summer and we look forward to seeing you again on  
August 19th for Open House!

## Out Of Zone Students

Students who are attending Sneads Elementary School but are living in another school zone within Jackson County will need to have a new transfer request on file for the 2011-2012 school year if they are planning on attending here next year. These forms must be completed each school year. Some parents have already come to the office to fill out forms for next year and we thank you in advance for that. If you've not completed these forms, please do so as soon as possible. **All transfer forms must have Mrs. Pilcher's approval and be turned in to the county office by August 5th!**

## Textbooks, Library Books, & Yearbooks!

Parents, please check with your child concerning all textbooks and library books. We need all books turned in at this time. If books are lost, you will be charged for the replacement cost. We will notify you about payment arrangements if your child is missing a book. Also, we still have yearbooks for sale. They are \$12.00 each if you would like to have one. We will sell until they run out.

## Attention Parents of Current Second, Third, and Fourth Graders:

Your child will be receiving a FREE summer packet from our school this week. The packet contains a summer calendar and how you can best help your child so they will not experience what some researchers call "summer slump". When you get the packet, please read the information and place the summer calendar in a safe place. The calendar will lead your child through weekly activities in both reading and math, which will prepare your child for their new grade. Once you complete the activities with your child, all you have to do is initial that your child mastered the weekly activity.

Every child who brings in a completely initialed summer calendar to their new teacher during orientation on August 19th or the first week of school (August 22-26) will receive a special back to school prize! Don't miss out!

## Lowe's Toolbox for Education

We are very pleased to announce Sneads Elementary School was chosen as a \$5,000.00 grant winner with the Lowe's Toolbox for Education program. Mrs. Paula Schirmer, science lab teacher, wrote the grant for the school. We look forward to campus improvements funded with the grant such as new benches and a greenhouse! Great Job Mrs. Schirmer!!

## Coming Events

May 25  
Kindergarten Graduation

May 26  
5th Grade Progression Ceremony

May 27  
Sneads High School Graduation  
8:00

May 30  
Memorial Day—No School

May 31  
3rd Grade Field Trip

June 2  
Last Student Day

June 3  
Last Teacher Day  
Have a Great Summer!

August 19  
Open House  
2:00—4:00

August 22  
First Day of School!

### Attention Parents of Kindergarten & 1st Grade Students!

Kindergarten and 1st grade students will be bringing home a Summer Reading Log for use over the summer. Please encourage your child to continue reading over the summer for enjoyment and to keep up skills. Please use the summer reading log to record the books your child will read over the summer. Each child who returns a completely filled-in log signed by the parent will receive a prize when school resumes in August. Happy Reading!

### 5th Grade DVD

Parents, a DVD has been made of the 5th grade students throughout their school years at SES. It will be shown during graduation on Thursday. If you are interested in receiving a copy, please send \$5.00 to your child's teacher as soon as possible. Last call! We need the order and money by tomorrow! The DVDs will be distributed along with the child's report card.

### Thanks Parents!

Thank you so much to all the parents who were able to donate their time to help chaperone field trips. We so appreciate the help! All field trips have gone very smoothly and this is partly due to having great parents like you!

### Accelerated Reader Program

AR ended last Friday. 375 students met their 4th 9-weeks goal! Also, if your child met their yearly AR goal, they will be treated to a trip to the movies in Marianna this Friday. Your child will be bringing home a permission form for this and will need to have it returned to school by this Thursday. We have had tremendous success this year with the AR program and are so proud of the students. The top AR student in each grade will be invited to have lunch with Mrs. Pilcher on Thursday, May 26, at Pappy Tom's.

### BoxTops for Education

Thank you parents and students for diligently collecting BoxTops for us this school year. Next Wednesday, June 1st, will be the last day for turning them in for this school year. Remember to bring in your 10 BoxTops for a freeze-pop!
